BASALT

Rock your spaces with the timeless look of volcanic stone.

Basalt porcelain tile collection takes its cues from its natural namesake, featuring fine graining, authentic undertones, and the subtle look of crystalized magma for added sophistication. Available in two modular sizes and five earthen colors, the line offers a simple yet dramatic foundation for your rock star style.

Basalt is made in the U.S.A. through Crossville's EcoCycle Tile Process™, it contains a minimum of 4% third-party recycled content and is **Green Squared Certified**. It's recommended for commercial and residential installations, including interior floors and walls and exterior vertical surfaces.
