## Porcelain Stone®

Speak out, speak  
loud, speak easy...

Make a bold statement in your design with SpeakEasy, Crossville's latest porcelain tile collection that captures the look of rugged, real barn wood and fencing in elegantly executed, large format tile planks. SpeakEasy's convincing interpretation of wood's appearance and texture lets you go against the grain, using porcelain tile in place of hardwood without sacrificing the style you desire.

The line's five colors—Sidecar, Zoot Suit, Sweet Georgia Brown, Silver Screen and Bank Roll—mimic the look of stained timber in a range of tones. The plank sizes, available in 6x36, 8x36 and 12x36, enhance the wood-like effect. Work with a single shade and size for a time-honored, traditional style, or mix colors and sizes for a custom installation that gives tradition a twist.

SpeakEasy is made in the U.S.A. through Crossville's EcoCycle Tile Process™, it contains a minimum of 4% third-party recycled content and is **Green Squared Certified**. It's recommended for commercial and residential installations, including interior floors and walls and exterior vertical surfaces. Anywhere you want to add depth, character and rugged elegance to your design...SpeakEasy.

### Environmentally Conscious

SpeakEasy contains a minimum of 4 percent pre-consumer recycled content and is manufactured by Crossville® using processes that have been certified by Scientific Certification Systems. SCS has verified that through these recycling processes Crossville recycles nearly 12 million pounds of previously discarded filtrate and fired tile waste. In addition to its own fired waste recycling, Crossville also accepts and recycles reclaimed, previously installed tile through its Tile Take-Back™ Program. For more information, visit [CrossvilleInc.com/green](http://CrossvilleInc.com/green).

### Recommended Use

SpeakEasy is recommended for interior floors, walls, countertops, and exterior walls in both residential and commercial applications. SpeakEasy is not recommended for exterior horizontal surfaces or exterior paving. If offset pattern is required for tiles 18 inches or longer, Crossville® recommends an offset of not greater than 33%. See [CrossvilleInc.com](http://CrossvilleInc.com) for detailed installation instructions.

### Care and Maintenance

Regular cleaning is the best way to keep SpeakEasy tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth. No waxes are needed. More information regarding the care and maintenance of Crossville® products is available at [CrossvilleInc.com](http://CrossvilleInc.com).

### Our Warranty

Crossville Inc. guarantees that its products will meet or exceed the performance specifications outlined in ANSI A137.1-2012 and in the performance data section of the Crossville, Inc. general product catalog. For complete details check our website at [CrossvilleInc.com](http://CrossvilleInc.com).
